Pankaj Sinha

Senior Executive – Payroll & Statutory Compliance

Areas of Expertise

- Payroll Processing & Final Settlements
- Statutory Compliance: TDS, PF, ESIC, PT, LWF
- HR Shared Services & Compliance Governance
- ESS (Employee Self-Service) Administration
- Payroll Reconciliations & Audit Support
- Compensation & Benefits Structuring
- HR Policy Implementation & SOP Development
- Vendor & Contractor Compliance Management
- Workforce Analytics & Payroll MIS
- Training, Mentoring & Team Leadership

Industry Expertise

- Shared Services & Outsourcing (GE, Grant Thornton, RB Info Services)
- Banking & Financial Services (SBI Cards, HBL Global, DHFL Pramerica Life Insurance)
- Insurance, Medical Devices & Technology (Boston Scientific, GE India Industrial)
- HR & Payroll Consulting (Acumen Arts LLP, Vision Marketing)

Education

- PGD in HR & Administration – TISS, Mumbai (2021)
- MBA – Sikkim Manipal University (2013)
- CWA (Inter) – ICWAI, Govt. of India (2010)

BACKGROUND

Pankaj is a seasoned HR and payroll professional with 18+ years of rich experience in payroll processing, statutory compliance, and HR shared services. He has managed payroll operations for employee bases ranging from 200 to 25,000 employees, ensuring accuracy, compliance, and efficiency across diverse industries.

EXPERIENCE

Payroll & Statutory Compliance (Multiple Roles – RB Info Services, Grant Thornton, GE, SBI Cards, Boston Scientific):

- Processed monthly payroll, validated inputs (new joiners, revisions, deductions, LOP), and finalized pay registers, JV reports, and bank transfer files.
- Managed tax computations, TDS processing, Form 24Q, Form 16 generation, and reconciliations.
- Oversaw PF, ESIC, PT, and LWF compliance including challans, UAN generation, KYC updates, and inspections.
- Handled full & final settlements covering leave encashment, gratuity, notice pay, and tax adjustments.
- Conducted payroll audits, reconciliations, and supported compliance inspections.

HR Shared Services & ESS Administration:

- Managed employee self-service portals for payslip access, investment declarations, and reimbursements.
- Coordinated with HR SPOCs for compliance data and payroll queries, ensuring SLA-driven query resolution.
- Provided analytics dashboards for payroll cost forecasting and variance analysis.

Leadership & Projects:

- Led payroll teams of up to 6 members across RB Info & Grant Thornton.
- Core member of payroll software implementation projects at GE and other organizations.
- Reduced payroll and invoice processing turnaround times significantly (e.g., from 8 to 3.2 days at Boston Scientific). Actively contributed to India Payroll Chat Bot Project at GE.

Pravin Kumar Gupta

Senior Executive – Leave & Attendance and Expense Management | HR & Finance Operations

Areas of Expertise

- Leave & Attendance Management
- Shift Scheduling & Roster Management
- Biometric & Geo-Attendance Integration
- Onboarding & Exit Management
- Employee Self-Service (ESS) Support
- Accounts Payable & Receivable
- Travel & Expense Management
- Vendor & Client Coordination
- MIS & Reporting
- Training, Mentoring & Team Management

Industry Expertise

- Manufacturing & Heavy Industry (Factory + Corporate HR)
- Shared Services (Travel, Finance & Payroll)
- ITES / BPO (Genpact, British Council, Boston Scientific)
- Consulting & Advisory

Education

- MBA (Finance) – Sikkim Manipal University
- B.Com (Hons) – Kolkata University

BACKGROUND

Pravin is a seasoned HR and Finance Operations professional with 15+ years of experience spanning Onboarding, leave & attendance management, travel & expense operations, and financial accounting.

With a career foundation in finance, accounts, and travel operations at leading organizations like Boston Scientific, British Council, and Genpact, Pravin brings a unique cross-functional perspective that blends HR operations with financial compliance and reporting. He has also handled leadership responsibilities in shift scheduling, payroll alignment, employee queries, vendor management, and compliance reporting, making him well-suited for large, multi-location workforce environments.

EXPERIENCE

- **HR Operations:** He has experience in managing leave and attendance operations, defining and configuring shift types, managing rosters, approving shift swaps, and ensuring biometric/geo-attendance integration. He oversees real-time tracking, attendance regularization, leave approvals and has experience in configuring leave calendars, maintaining benefits trackers, handling employee queries, and ensuring compliance audits are met on time.
- **Travel & Expense Management (Boston Scientific Services):** Pravin managed global travel and expense reimbursements across 14 countries. He transitioned Concur Administration from Shanghai to India, audited expense claims, prepared MIS reports, and integrated SAP with banking processes. He also delivered induction sessions for new joiners and supported vendor/employee master data management.
- **Accounts Receivable & Payable (British Council Management Services):** He managed incoming/outgoing payments for international examinations (IELTS) and events, reconciled accounts, managed intercompany transactions, fixed assets, and mentored new entrants. Earlier, as Accounts Payable Executive, he processed vendor invoices in SAP, handled GRIR reports, vendor queries, reconciliations, and payment runs.
- **Finance & Accounts Operations (Genpact India):** Pravin began his career with Genpact, processing vouchers in Oracle ERP, reconciling vendor accounts, handling market queries, and preparing MIS. He streamlined multiple pilot processes, was promoted to Process Developer, and received multiple awards including “Star of the Month” and “Customer Dollar Award.”
- **“Entrepreneurship (Daksha Tarayana Grand):** Pravin also managed his own business in hospitality, overseeing reservations, staff salaries, transport, and financial reconciliations, demonstrating leadership and end-to-end operations management.

Dhineshkumar J

Senior Executive – Payroll & HR Shared Services Professional

Areas of Expertise

- Payroll Processing (Domestic & International)
- Statutory Compliance: TDS, PF, ESIC, PT, LWF, GSTHR Shared Services & Employee Query Management
- Full & Final Settlements
- Accounts Receivables & Payables
- Compliance Reporting & Payroll Audits
- HRIS & ERP Systems (SAP, Oracle, Ramco, SuccessFactors)
- MIS & Data Analytics (Payroll/Finance)
- Vendor & Client Coordination
- Training & Team Mentoring

Industry Expertise

- HR & Payroll Shared Services
- Information Technology & Consulting
- Manufacturing & Appliances
- BPO / ITES
- Financial & Accounting Services

Education

- B.Com (Corporate Secretaryship) – Ramakrishna Mission Vivekananda College, Chennai

BACKGROUND

Dhinesh kumar is a result-oriented Payroll & HR Shared Services professional with 13+ years of experience across payroll, statutory compliance, and finance operations. He has successfully managed domestic and international payroll (India & Indonesia), ensuring accuracy, compliance, and timely delivery. He brings full knowledge of payroll operations including monthly and exit payroll, reconciliation, and statutory reporting. His expertise spans employee benefits tracking, payroll audits, foreign employee compliance, and handling employee queries. With strong exposure to ERP systems and automation, he has also contributed to process migrations and system standardizations.

EXPERIENCE

- **Payroll Processing & Statutory Compliance (Ramco Systems, Maya Appliances, Srinacss, Globplast):** Dhineshkumar has managed payroll processing for multiple entities across India and Indonesia. His work included validating payroll inputs, salary revisions, deductions, and preparing final payroll reports. He ensured accurate statutory deductions under TDS, PF, ESIC, PT, and LWF, prepared compliance reports, and supported Form 16 distribution. He also handled monthly/exit payroll and reconciliations for audits.
- **HR Shared Services & Employee Support (Ramco Systems, Mazars Interface):** He supported HR operations by resolving employee payroll queries within TAT, managing reimbursements, and ensuring compliance records were maintained. He worked on ESS systems to assist employees with payslips, reimbursement claims, investment declarations, and compliance queries.
- **Finance & Accounting Operations (Globplast, Srinacss, Maya Appliances, Flextronics, Capgemini):** Earlier in his career, Dhineshkumar worked extensively in Accounts Payables/Receivables and finance operations. He managed vendor/supplier payments, reconciliations, fund flow monitoring, audits, and government compliance reporting (GST/TDS). He also analyzed customer creditworthiness and prepared MIS dashboards for management.
- **Compliance & Audit Support:** He ensured statutory compliance across payroll and finance processes, supported internal and external audits, and maintained documentation for government inspections. He also contributed to regulatory reporting and government liaison.
- **Training & Team Mentoring:** At Ramco and other organizations, he trained new joiners, mentored payroll team members, and led teams during critical payroll cycles such as investment proof collection and TDS processing.
- **System & Process Improvements:** He has contributed to ERP migrations (SAP to BAAN, Oracle to Ramco ERP) and payroll system testing, standardization, and automation initiatives. His efforts improved payroll accuracy and reduced compliance risks.

Aditya Anil

Senior Executive – Leave & Attendance Management

Areas of Expertise

- Leave & Attendance Management
- Shift Scheduling & Roster Administration
- Biometric & Geo-Attendance Integration
- Overtime & Comp-Off Management
- Policy Enforcement & Compliance Reporting
- Employee Engagement & Relations
- Onboarding & Offboarding
- HR Operations & Administration
- HR Analytics & Reporting

Industry Expertise

- Manufacturing & Heavy Industry (Factory + Corporate HR)
- Hospitality & Hotel Management (NILE, Radisson Group)
- IT & Consulting (Tata Consultancy Services)
- Energy & Services (EDF Energy)

Education

- MBA/PGDM – Human Resource Management, Ranchi University (2024)
- Bachelor of Arts (B.A.), Marwari College, Ranchi (2019)

BACKGROUND

Aditya is a results-driven HR professional with a strong foundation in HR operations, compliance, and workforce management. With hands-on experience across industries including manufacturing, hospitality, IT, and energy, he brings a versatile skill set suited to managing complex employee bases. His ability to manage multi-location HR operations, statutory compliance, and employee engagement makes him an effective bridge between management and employees in both office and factory settings.

EXPERIENCE

- **Leave & Attendance Management :** Aditya has defined and configured multiple shifts (fixed, rotational, night), manages automated roster scheduling, and approves shift swaps as per company policy. He ensured real-time biometric and geo-attendance tracking, approves attendance regularizations, and generates reports on late arrivals, early exits, and absenteeism. He also oversees leave balance tracking, holiday calendars, and encashment/carry-forward policies.
- **Overtime & Comp-Offs:** He tracked overtime, ensures compliance with policies, and manages auto-calculation of compensatory offs, ensuring integration with payroll for accurate disbursement.
- **HR Operations (EDF Energy | Oct 2024 – Jan 2025):** Managed recruitment processes, onboarding, and organizational development initiatives. Designed training programs, monitored effectiveness, and supported employee upskilling.
- **HR Executive (NILE Hotel Management Company | Feb 2025 – Apr 2025):** Handled recruitment, onboarding, HR operations, employee relations, policy compliance, training support, and exit process management at Uday Palace Navsari.
- **Information Process Enabler (Tata Consultancy Services – Client: Bank of America | Jul 2019 – 2022):** Led floor operations with 98%+ accuracy, managed performance reports, streamlined workflows using Agile, and collaborated with cross-functional teams to improve delivery timelines and client satisfaction.
- **HR Intern (Radisson Hotel Group):** Assisted in learning & development, onboarding, documentation, and employee training programs.

Sourav Jana

Executive – Onboarding & Exit Management

Areas of Expertise
